

Here's To Brighter Days
Jessica Campbell/Lincoln Parrish

Verse:

Here's to the heartbreak
Here's to the long wait
Here's to brighter days

Here's to the mending
To new beginnings
Here's to brighter days

Pre-Ch:

Someone tell the sky to open up wide

Chorus:

Ooh, The dark won't last forever
Ooh, This life is like the weather
Storms come & storms will go
Ooh, Every heartbreak has a reason
Ooh, Every story has a season
Brighter days please stay close

Verse:

Here's to the hard times
I'm waving goodbye
Here's to brighter days

Here's to the new black
Forget the setbacks
Here's to brighter days

Pre-Ch:

Someone tell the sky to open up wide

Chorus:

Ooh, The dark won't last forever
Ooh, This life is like the weather
Storms come & storms will go
Ooh, Every heartbreak has a reason
Ooh, Every story has a season
Brighter days please stay close

Bridge: Tell the sky to open up wide, tell the days to stay bright
